

# Willyard Elementary

It's time for our **6th Annual Kindness Challenge at Willyard!** This year, our challenges will be completed at school. Each classroom will receive a kindness challenge to complete the last week of March before Spring Break (March 22nd - March 25th). If the classroom completes their challenge, students will receive a kindness chain to add to our school hallway. If each class completes their challenge, we will have a school-wide reward. Past celebrations have included ice cream sundaes, pizza, slushies, extra recess, movie day, etc. We will also be celebrating our Kindness Challenge by having a spirit week, too! Spirit week details are below:
