Small groups with Miss Holmes

Miss Holmes and other teachers regularly utilize small groups to better meet the needs of students. In this case, Miss Holmes is better able to meet the needs of the students by understanding their needs.

Book Tasting

Mrs. Gibson recently hosted a book tasting session. Students were introduced with a variety of genres. Students seemed to really enjoy the activities.

Coding is a hit with our students!

Our students have the opportunity to learn more about coding during their lunch. Our goal is to provide as many opportunities to learn as possible.

What's Going on at West Main

- Our PBIS team continues to work toward the goal of providing the best place for students to learn. We use the words Respectful, Responsible and In Control. Incidents are tracked throughout the school day. Currently, the number of behaviors are decreasing due to the two weeks of online learning. In addition, our suspensions are down compared to the past years.
- We have teachers who are working on a district team to examine our reading and language arts curriculum. This is an exciting time to not only analyze the curriculum but look at our goals for students
