

Kindness Week

The week before spring break, March 27th-March 31st, was "Kindness Week" at West Park! Our goal was to promote the power of "kindness" to everyone at all times. To celebrate and recognize "Kindness Week" throughout our building students and staff were involved in many different types of events and activities. Throughout the week we also incorporate a "spirit week" to celebrate "Kindness Week." Our theme for the week was called "Camp Kindness." Students wore a specific color each day to represent something related to camping. Finally, on the last day of "Kindness Week" students enjoyed a camp out in the gym. We had a special musician play camp songs for our students. It was a wonderful and meaningful week for our students!

Work for RSD

Looking for work that fits your schedule and has great pay? WE NEED YOU! The Ravenna School District has immediate openings in custodial, food service, and transportation. Great pay and potential to become full time. No experience required for most jobs and we will train you! Please apply online at :

Pennies For Patients

During the week of March 13th, West Park School conducted a "Pennies for Patients" money collection drive to benefit the Leukemia and Lymphoma Society of Northeast Ohio. It was a huge success! Thanks to the students, families, and West Park Staff, we raised close to \$800! That is amazing! This is something to be very proud of!
Way to go West Park!
