Dear Families,

ATTENTION: ALLERGY FRIENDLY BUILDING

This letter is to inform you that our school building is an allergy friendly building. Due to an increase of students allergic to nuts and peanuts, we are going to remain a “nut free” school to the best of our ability. This policy has been implemented for the past few years. It is important that there is a strict avoidance to this type of food. We are requesting your help to provide the safest environment for our students.

We are asking that you DO NOT send any products containing peanuts/nuts to school with your child. If your child has eaten peanuts/nuts before coming to school, please be sure your child’s hands and face have been thoroughly washed before entering the school. Any type of exposure to peanuts/nuts can cause harm to students who are allergic.

For our hot lunch and breakfast program, we will NOT be ordering and/or serving food that contains any type of peanuts/nuts product. Peanut butter and jelly sandwiches will be substituted with WOW Butter. A “safe snack” list is also posted on our webpage and Facebook page that details which snacks/foods are safest to bring to school. We appreciate your support and understanding of these procedures and expectations. Once again, we are an allergy friendly school. Please contact the school with any questions at 330-297-1744.

Sincerely,

Frank Sciarabba, Principal
