It is my honor to serve as principal for the 2025–2026 school year. Our theme this year, **“One Year. Big Impact.”**, reflects our belief that every moment matters and every interaction is an opportunity to make a positive difference.

At West Main, we are dedicated to creating a safe, supportive, and engaging learning environment where each child is valued and challenged to reach their fullest potential. We believe that strong relationships are the foundation of success, and together, we will nurture curiosity, build confidence, and celebrate growth in every student.

This year, we are also committed to aligning our work with the district’s **ABC Goals—Academics, Behavior, and Curriculum:**

- **Academics:** Providing rigorous and engaging instruction that meets students where they are and helps them grow.
- **Behavior:** Fostering a positive school culture where respect, responsibility, and kindness guide every interaction.
- **Curriculum:** Ensuring instruction is aligned, meaningful, and designed to prepare students for future success.

Communication is key to a successful school year. We will use **ParentSquare** as our primary communication tool for school updates, classroom news, and important announcements. I encourage you to check it regularly and stay connected with our learning community.

A little about me: I have proudly served in this district for 29 years as a classroom teacher and instructional leader, and I am excited to step into this new role as principal. I am passionate about creating inclusive environments where all students can thrive, and I look forward to partnering with you to make this an extraordinary year.

Thank you for allowing me the privilege of leading this incredible community. Let’s make this a year of connection, learning, and lasting memories—because **when we work together, the impact lasts a lifetime.**

Warmly,

Rebecca Randolph

Principal/West Main Elementary
